I wish to bring to your attention that theres an expat in your country 5 years an overstayer, has a youtube channel witch he uses to beg for money.

His name is barry jordan he's been using the less fortunate in the Philippines, treats really bad the less fortunate young girls has beaten them and throws them out and gets another one,

He swears he will never be caught and deported , he's always jumping from island to island right now he's hiding in cebu , He found a room seems like a squatters village and moved in this poor young girl he abuses ,

How do we know? Well he does live shows on youtube , i would love this man to be caught and taught a lesson , he looks like a bum look on youtube for- barry j moto vlog- you will see his last video there . hope authorities catch this man
